ADVERTISEMENT.

Mysore, 26th March 1891.

The public are well aware that Sahukar Hotte Ranganna, son of Chikmallaiya of Kunchigar sect, and Sahukar Chikmuddappa, son of Ranganna of the same sect, are nearly related to each other ; that they, together with some others, had formed a trading company and carrying on business and that some-time ago the said company broke up and the members thereof have been relieved.

I, Hotte Ranganna, have purchased from their respective legal owners and one possessing and enjoying the lands Nos. 79, 80, 81, 27, 32, 36. 40, 42, 46, 29, 30, 31, 43, 48, 49, 37, 47, 50, 51, 52, 53, 54, 76, 77 and 78, situated in Bokkahalli village, Hadinaru Hobli, Nanjangud Taluk, and have got documents executed in my name and duly registered.

If the rumours are correct, I understand that Sahukar Chikmuddappa although perfectly well aware of the above said facts, yet, giving himself into the advice of Batta Amin Krishna Rao, Pleader Krishnappa, Narasappa, Deputy Munshi of Hole-Narsipur Munsiff's Court and Tammaiyana Subbanna of Mysore and others, is trying to get documents executed by their non and illegal owners and so called enjoyees and thereby considers himself that he could usurp my rights to the said lands. Whatever the termination of his endeavours may be, I warn the public that if any one wishing to buy lands in the above said village, it would be safer for them to have a proper enquiry made with respect to the owners and enjoyees and patta holders of them and examine properly all the documents, &c., which they find in possession of those that would offer them for sale.

HOTTE RANGANNA.
